I am thrilled to offer the first girls lacrosse overnight camp at Drew University! Each player will have individual as well as team instruction. Campers will learn the newest techniques of the

game while also practicing game concepts and strategies. There will be a nutrition talk to teach campers how to keep their bodies healthy and how to get the most out of their physical play. We will also be having a college recruiting talk for 9th through 12th graders which parents are more than welcome to attend.
